#### Member of Soundscape

Section Leader (CP) - Choir President (CVP) - Choir Vice President \* Class Representative + Choir Council Member Welcome to this evening's choir concert! In order that we may create the best and most professional performance atmosphere, please abide by the following. Please...

Do not talk during the performance.

Enter or exit the auditorium only between songs and only if absolutely necessary.

Turn off cell phones, pagers, and watch alarms.

Exit as soon as possible with noisy infants or children. If you feel this might be a possibility, please consider seating your party in such a place that it would not be obtrusive if you were required to leave. Avoid calling out the name of a student on stage, especially when they are entering or exiting.

The music being performed this evening is advanced and requires a great deal of concentration. The aforementioned distractions can make it very hard for the student performers to concentrate. We do appreciate your hearty applause at the appropriate times.

Thank you for being with us this evening, and for your continued support. We know that you will help us to uphold the fine standards of performance excellence that have become our tradition here at West Salem High School. We hope you enjoy our music.
